**FAMILY  
RESOURCE  
DIRECTORY**

August, 2017

## Introduction

LWP realizes at times we may need to reach out to some outside resources in order to do what is best for the child and family. Here are some resources for you to review. Some of them we have experience with, while others come highly recommended. This is not a comprehensive list of what is available. Please contact your pediatrician to be sure of the services your child may need.
